### REASONS FOR ALLOWANCE

1. Claims 1-28 are allowed.
2. The following is an examiner's statement of reasons for allowance:

The above mentioned claims are allowable over the Cited Prior Art (CPA) of record, because the CPA of record fails to teach or render obvious the limitations in independent claims 1, 15, 27, and 28, and the subsequent dependent claims.

The CPA does not teach a method, apparatus, or article of manufacture, which executes an interaction process between two processing devices, wherein each device in the interaction has an associated tree structure, wherein each tree comprises a plurality of nodes which determine randomness contributed to a corresponding round of the interaction, and decision preimage values are associated with a subset of the nodes which encode possible decisions to be made in the interaction between the devices.

3. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

4. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Kaveh Abrishamkar whose telephone number is 571-272-3786. The examiner can normally be reached on Monday thru Friday 8-5.
